- ▲ Since 1930, Deerfoot has been building godly men in Christ-centered community through wilderness camping. Our vision is to serve as a catalyst toward the personal, spiritual, relational, and missional growth of men. Deerfoot is a Christian wilderness camp for boys. Our program provides challenges for growth and the support to meet those challenges. These experiences help campers learn more about themselves, their relationships with others, their responsibility in society, and their walk with God.
