

Folding Substation Signs

Personalized, **High-Visibility Reflective** Signs with Emergency Information

Uticom's Folding Substation signs provide clear, complete, and easily accessible information for substations, including a durable weatherproof PVC tube for storing emergency documents.

- ▲ Personalized with company logo and specific substation site information
- ▲ Ideal for remote substations where cell service may not be available
- ▲ Maximum durability in harsh outdoor environments
- ▲ Long term durable construction
- ▲ Optional internal sand ballast for improved stability and wind resistance
- ▲ Base available in safety white, safety yellow, or safety orange (other sizes and configurations available)

High-Visibility Reflective

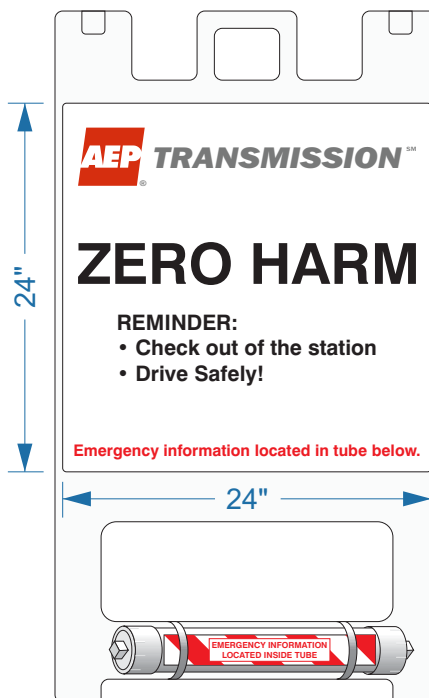

Includes PVC storage tube

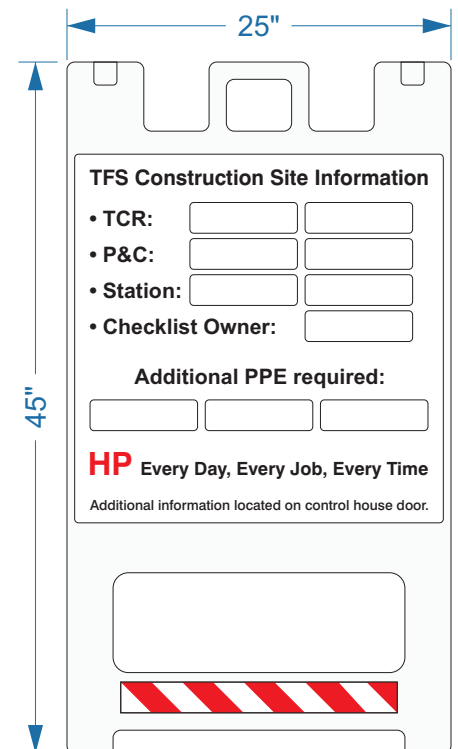

Stores emergency documents for easy access in a crisis:

- ▲ Maps
- ▲ Emergency Procedures
- ▲ Safety Data Sheets
- ▲ First Aid Procedures

Attached to sign with cable ties.
Weatherproof caps unscrew by hand.
